MEMBER SPOTLIGHT

Emma Mason & Teanna Bergquist

Emma and Teanna both started working at Blakes in 2006. They worked there through high school and then later bought the store in 2014. Their favorite thing about having a business in Carnation is getting to be so in touch with the community and getting to be a part of so many families' community experience. They love knowing the people who are their neighbors and building relationships with them over time— it's really special and important to them to preserve what's been fundamental to their growing up in this community which is a sense of closeness and small town friendliness. Yay Blakes!
