Dear Community and Sponsors,

As we approach the holiday season, I am reaching out to you on behalf of the Carnation Chamber of Commerce to request sponsorship for our upcoming "Christmas in Carnation" event. This festive occasion has become a cherished tradition in our town, bringing joy and togetherness to residents and visitors alike.

"Christmas in Carnation" will take place at the Tolt Commons on East Bird Street on December 7,2024, 3pm-6pm. It will feature a variety of family-friendly activities such as tree lighting, live music, holiday vendor market and Santa Photos. Our goal is to create a memorable experience that celebrates the spirit of the season and fosters community bonds.

Your generous sponsorship would greatly contribute to the success of this event by helping to cover event costs such as decorations, lighting, professional Santa, rental equipment, craft supplies etc. In return for your sponsorship, we offer different levels which will include promotional benefits.

We believe that a partnership with your business would not only benefit our event but also showcase your commitment to our community.

We kindly request you to consider this sponsorship proposal at your earliest convenience.

Thank you for considering our request. We look forward to the possibility of partnering with you to make "Christmas in Carnation" a memorable and successful event for everyone attending.
